INTRODUCTION

About Society

To foster Massachusetts' new cannabis era, our products reflect an outlook driven by eclecticism, experimentation, and expertise. We create finely crafted and innovative cannabis products spanning infusions, concentrates, edibles, topicals, and tinctures.

Stock your shelves with quality consistent products that will keep your customers coming back for more. We believe there is an independent spirit in everyone, and we help to fuel yours.

Goldies

Delivering consistent, premium quality, concentrates that are As Good as Gold.

Goldies offers a full range of Cartridges including strain specific full spectrum and distillate as well as THC/CBD 1:1 offerings.

All of our terpenes are cannabis derived and pulled in house with no additives.

1 gram Concentrates offerings span waxes and shatters, with Live Resin and other hydrocarbon offerings available soon.

ROYALROOTS

COVETED CANNABIS CONFECTIONS

All mighty things grow from solid roots. Our edibles are crafted from the highest quality distillate cannabis oil infused into premium ingredients, to elevate the experience of cannabis edibles, and bring a little Regal into your day.

Royal Root's current edible line contains quality Chocolates and Fruit Chews in fun seasonal flavors available in both 100mg bars and tins or 200mg TAC 1:1 THC/CBD blend.

Sir
FRANKLIN'S

Trusted Traditionals

Crafted holistic, cannabis-based remedies for natural healing and everyday care. Sir Franklin's vision is to use the plant to heal the person, following one simple truth, Nature knows best.

Sir Franklin offers a wide array of tinctures and topicals to naturally care for you.

MIX TAPE

A curated blend of our favorite strains, sourced from the state's best cultivators, produced to enhance the soundtrack of your life. Grab a Mix Tape, live your story.

“Every mix tape tells a story. Put them together, and they can add up to the story of a life.”
–Rob Sheffield

White Labeling

Why sell the same old brands as everyone else? Increase the reach of your own brand, and differentiate your menu from the competition.

Society will work with you to develop your own branded offerings or to create proprietary products only sold at your store. We will help your business grow by supplying consistent premium products, designed and branded with your logos and color schemes, to stock your dispensary shelves and get your company name and logo directly to your customer base.

Your unique vision can be fulfilled with packaging that creates a brand experience. Let us help you with our custom design and compliant, child-resistant packaging options.

With over ten years of combined experience in cannabis processing and manufacturing our team offers a variety of quality, tested products available in custom packaging to mirror your brand.
